FREQUENTLY ASKED QUESTIONS

Why is Chestnut Ridge School District charging fees for participation in sports and extracurricular activities?

The School Board Members, along with the District Administrators, have enacted a fee structure for participation in sports and extracurricular activities as a way to help defray the costs of such elective activities.

What are the fees?

\$20 fee per student in grades 5 through 12, for participating in athletic sport or extracurricular activity. Participation in a second activity during the school will result in an additional \$20.00 fee with a cap of \$50.00 assessed for a student participating in 3 or more activities.

What if I have more than one student participating in the above activities?

There is a yearly maximum (cap) of \$100.00 for each family. Once the cap is reached, any additional fees are waived.

Are there any exceptions that would allow my student to participate without paying the fee?

If the student is a participant in the National School Lunch Program and has been awarded financial support, the fee will be half of the listed fee for each activity. This will be confidentially verified by the Manager of Food Services. For Fall sports/activities the waiver will be based on the previous year's Free and Reduced Lunch verification. Winter and Spring will be based on current school year participation.

How do I pay the fees?

Your child will be given a form by his/her coach/advisor, or it can be obtained from our district website or at the main office of your student's building. Fill out the lower portion and return it with cash, check, or money order made payable to Chestnut Ridge School District. This form must be returned to your child's respective schools main office in a sealed envelope with any required fee.

Are the fees refundable?

NO refunds will be issued after the first contest/activity/meeting/performance has occurred.
