NewsFlash

Happy Monday!

We are having a tough time getting the Friday Focus out on Friday. Hopefully, we will be back on schedule this week.

Last week we had a great Spring Renaissance Awards program. Students were recognized for academic achievement - 3.5 grade point averages or higher and for improving their grade point averages significantly. The FHS Mariachi and Ballet Folklorico provided entertainment at the event. Congratulations to our students and parents for their academic success.

This Week, Wednesday at 6:00 pm in the library, we are hosting Superintendent Palazuelos and district staff for the Local Control Accountability Plan (LCAP) presentation. The purpose of the meeting is to share information about the LCAP and to give parents, students, and staff an opportunity to provide feedback on the plan. I look forward to having a great turnout.

This is the last week of the 3rd quarter, so students will be taking assessments and tests Tuesday - Thursday (Tuesday: Math and Science, Wednesday: All others, and Thursday, English and Foreign Language).

We expect our students will work hard to get their best grades possible. We wrap up the week with a minimum day on Friday!

Have a great week!
