2019-2020 CALENDAR OF REPORTS:*

Every school year, the Attendance and Enrollment section creates a Calendar of Reports which reflects a school's instructional calendar in 10 school months and due dates of the monthly Classification (Enrollment) and Statistical (Attendance) reports. To create the Calendar of Reports, Pilot schools making changes to their instructional calendar are requested to provide their planned calendar changes in the table below. **INSTRUCTIONS:** Please mark in the rows under the District's 2019-2020 Single Track Instructional Calendar your schools' planned instructional days and send a copy to your Local District Administrator of Operations.
