

Canvas Observer

- ▶ Wondering what your child is doing on Canvas...
Be an observer!!! You can see your child's Canvas grades, view your child's tests and quizzes... pretty much any assignment your child is given on Canvas you will be able to view in detail!
- ▶ Just a reminder... Canvas grades are just one component of your child's overall average. You will need to go to Powerschool to see the grade reported on your child's grade card.
