

The Safe School Helpline®

STUDENTS ARE OUR GREATEST ASSET.

You and your friends deal with the problems of school everyday. You know what we are doing right, and you can suggest changes that help us improve.

At times, students like you overhear information that you don't feel you can share. When someone steals, uses drugs in school, threatens violence, or commits illegal actions, it can hurt the school—and all of us.

We have subscribed to a service that allows students and parents to relate this information anonymously. We hope the information outlined here will answer your questions and ease your mind—so you can help keep our school a safe place to learn.
