Design a 16 x 20 (minimum) full color poster with one (1) of the three (3) following options:

(a) Create a movie poster of a new version of the film with appropriate casting for the following characters: Atticus Finch, Scout Finch, Jem Finch, Dill Harris, Boo Radley, Calpurnia, Bob Ewell, Tom Robinson, and Miss Maudie. You also need to include the release date, two specific movie review quotes, one to two images from the film, its rating, and a tag line for the film.

(b) Design a new book cover for the novel. The new book cover should include everything that would normally appear on the cover of a book including artwork, author's name, publisher, and a tag line.

(c) Create a poster depicting the social caste system in Maycomb (circa 1935) and a diagram of where all of the characters listed below would fit. Primary characters should have an accompanying picture. After each character's name a sentence defines their placement on the social caste system.

Project #2: PowerPoint Presentation

Create a PowerPoint Presentation with one (1) of the two (2) following options:

(d) Create a 20 slide (minimum) PowerPoint of the basic events of the plot. You must use images throughout your presentations and cover all-important events from the novel. An extra slide must be added to list your sources. In addition, four (4) of the pictures used in your presentation must have been taken by you.

(e) Create a 15 slide (minimum) PowerPoint analyzing the major themes of To Kill A Mockingbird. You must include at least three (3) themes, five (5) quotes from the novel, and three (3) pictures. An extra slide must be added to list your sources.

Project #3: Board Game

(f) Create a board game based upon the themes and events of To Kill A Mockingbird. You will need to include the rules and all pieces necessary to play the game. Your game board should be artistic and the entire board should be covered. In addition, you will need to create a box to hold all the game pieces and equipment.

Project #4: Artistic Representation Choose one (1) of the following artistic options below:

(g) You will choose one quote or passage from the novel and paint or watercolor representation of that quote. Your picture does not necessarily have to be a concrete rendering of the quote, but it must capture the mood and emotion of the quote. Your quote will be part of the final picture, so paint accordingly. You will also write an essay of at least two paragraphs justifying the choice of your scene and quote, and explain the choice of colors and/or images you painted.

(h) Create a version of Life's Instruction Booklet based upon To Kill A Mockingbird. Atticus and other characters in the novel offer several bits of advice that are helpful in deciding how people should live life. Your job would be to compile at least fifteen (15) quotes from the novel and five (5) quotes from outside of the novel that share meaningful advice or wisdom about life. Each quote will comprise a separate page of the instruction booklet. You will also write an essay of at least two paragraphs explaining the value and importance of well-spoken advice as it applies to individuals and society.
