We would strongly recommend the purchase of the workbook, ***The Official ACT***, for added practice. (Not required for school reviews but great for independent practice).**

Students should print the admission ticket or have it available on their phone on the Saturday test day. Picture ID is required. Calculators are allowed. You **do not have** to have an admission ticket for the test on April 2. Other ACT testing dates for 2019 include June 8, and July 13.
