What are we learning this month?

WEBSITES:

Abcya.com

Starfall.com

Math: Our math curriculum comes from Everyday Mathematics....This month we will start unit one. Some of the skills we will be working on are: Investigating the Number line, Math Tools, counting Strategies, 1 more, 1 less, comparing numbers, Using Tally Charts, organizing Data, Reading and writing number stories, addition, subtraction...and .etc....
Students will also learn a lot of math through games with cards and cubes. Ask your little one to show you the game: Top-It using a deck of cards.

Reading is the Key to KNOWLEDGE AND POWER!

Please provide opportunities for your child to **READ EVERY NIGHT.** 😊😊

Science: In science this month students will be exploring, investigating, and experimenting. Using inquiry skills. You can also do this at home....check out this site: Type in Kitchen Science for kids

Shared Reading/ELA- We are learning about nouns this month....common nouns, proper nouns, possessive nouns, singular and plural nouns. We're also learning about our short vowel sounds a, e, i, o, and u. In reading ask your little ones to identify the main idea, characters, setting, and plot (Beginning, Middle, and End) of the stories they read.

We also have started a New Phonics Program called: Open Court !!

Social Studies- ...In Social Studies students will learn about the communities around them including learning how to compare neighborhoods. Students will also begin learning about our planet's natural resources and how those can be used.

Ask Your Child This Question:
What did you learn in School today?
