SOCKS FOR VETS!

- In the spirit of thankfulness and in the spirit of the approaching holiday season, Summit Academy Draper is participating in a charity event: SOCKS FOR VETS.
- We are asking our Summit community to donate crew socks (male and/or female) for homeless veterans in Utah. now through November 16th, please send new socks with your child to school.
- Elementary students should turn them into their homeroom class, junior high students should turn them into their advisory. The winning class that brings the most socks at each school will get a FREE HOMEWORK PASS per student.

"Thanks and Giving Back" Event sponsored by the SPO committee

- On Tuesday, November 6th we are sponsoring a GREET AND GATHER open house from 1:00-4:00 p.m. in the Junior High Atrium.
- We want to promote the spirit of volunteering and giving back to our Summit community. Our school is so great, but our school needs lots of parent participation to bolster its success.
- The best thing you can do for your child's success is to be engaged in their learning, and volunteering is a great way to accomplish that. Lastly, getting to know other parents is a great way to feel a part of your school's community!
- There will be HOT CHOCOLATE AND MUFFINS at the "Thanks and Giving Back" Event! Come and GATHER! Come and meet other parents!

Counseling Corner

- The fourth pillar of Red Shoes Living is Respect (Kindness) Seems simple, but is incredibly important.
- The fifth and last pillar of Red Shoe Living developed by Lonnie Mayne is PUT YOURSELF OUT THERE: Be on the front row to help and assist. This might require getting out of your comfort zone. Many times what we give comes back to us. It is when we forget ourselves that we do things which will be remembered and make us stand out like a red pair of shoes. There are three types of people in the world. Those who keep their eyes down and focus on their own needs, those who consider helping but don't actually follow through, and those who jump up and make things happen when someone needs help.
