Guests:
- Quorum: All role groups present: Admin, Community, Parent, Teacher, Non-Certificated, Student

3. Approval of Agenda and Minutes:
   a. The following items were added to the agenda: None.
   b. Minutes of December 11, 2019 were unanimously accepted as corrected: 4.e.ix. “WIS SCC 1/7/20 @ 3:30 pm.” Motioned by Lanny, seconded by Dan.

4. Reports and Concerns:
   a. Admin:
      i. We are in the process of setting up next year’s lines and student schedules. Parents will get a print of their child’s choices with the February mid term mail out.
      ii. Today we had our school-wide fire drill and the kids were amazingly well-behaved.
      iii. We have begun planning our school-wide project on the topic of diabetes because that is a disease that devastates our economy and people. Term 3 is planning and was kicked off by a presentation by Dr. May Okihiro of WCCHC. Kids will learn about it in April and then choose a project they designed to make a difference in their family, school or community.
      iv. Teachers have received notice they will receive differentials this year and next. Then, it is up to the union and State to negotiate the pay scales.
   b. Parents:
      i. Feb 7th is the next Grub Night. There are 133 Proj Grad students; this is the most in a long time, if not ever.
      ii. Niralyn said the cafe and gym fans are on hold for now.
      iii. Eighty students from a church group volunteered over break. They cut down 75% of the koa haole trees by the gym and cleaned up tons of dried gum from the sidewalks. It was a comedy of errors to get the green waste removed.
      iv. The concession stand and area are being painted by the kids in the gym. The trophy case is not complete because the wall wasn’t flush so they’re figuring it out.
      v. Our anonymous scholarship donor will let the PTSA give out 3 awards next year.
      vi. The PTSA raised $4000 for scholarships with concession sales.
      vii. Parents who help with team sports are great contributors. Many thanks to them.
viii. Looking into the possibility of having a student drop off by the baseball field.

c. **Teachers:**
   i. Grades went in and were mailed out.
   ii. Teachers are working on a part of the DOE’s evaluation system in which they develop goals for student learning and reflect on students’ progress.
   iii. Teachers filled out a form reporting their preference for next year's lines.
   iv. Departments are planning their budgets for next year.
   v. Ms. Mahi asked the Hospitality Club to plan her retirement party!
   vi. Kids were well behaved at the FireDrill.
   vii. Next week, the Sophomores are having their assembly.
   viii. Teachers learn from each other and have been analyzing their final exams to understand how to better teach our kids.

d. **Non-certificated:**
   i. Two security assistants resigned recently but the rest are carrying on and have developed positive relationships with kids. A concern raised around what SSAs can do but the recourse is to go to the BOE and the Legislature to make changes.
   ii. The storm drain has not been cleared behind the cafe. Calvin will follow up with Ryan.

e. **Community:**
   i. Chuck Watke scholarship through WCCHC for health careers is published in the Westside Stories. There is a huge shortage and we need our kids to become those professionals.
   ii. Eat Local Challenge/Makeke Farmers’ Market has been in operation for 3 years with many activities around healthy foods.
   iii. Westside Stories and the public libraries are wonderful resources for people to get involved.
   iv. A house builder is interested in developing 9 acres of ‘affordable’ housing at around $700K for teachers and medical professionals. Ideas were brainstormed in the group.

f. **Students:**
   i. Full council meeting with clubs and council yesterday to discuss events and community service. Upcoming are events with the Blood Bank and Humane Society.
   ii. Prom court petitions and then elections this month.
   iii. Yamatoseiran school from Japan will be visiting.
   iv. Valentine’s lunch lounge with board games and music. There will also be a dance that night.
   v. Makahiki week with Hawaiian games at lunch.
   vi. Teacher appreciation week with kids ‘adopting’ teachers.
   vii. 4/4 Best Buddies walk at Magic Island.
   viii. Community recycling in March for e-waste.
   ix. CCC and/or College Club has opportunities for kids like Ma’o Farms and UH Hilo tour as well as other field trips and speaker visits.

5. **Action Items:**
   a. None.

6. **Announcements:** None

   Next meeting, 2/12/2020 at 4:00 pm, Adjourned: 6:45 pm
