1. Please ensure your child gets a good night's sleep the day before testing. A tired child cannot stay focused on a challenging test for hours on end.
2. TESTING STUDENTS SHOULD REPORT TO THEIR CLASSROOM ON TESTING DAYS. Breakfast will be served starting at 7:30am in the CLASSROOM. Arriving early will ensure testing will begin ON-TIME. **Students who are LATE may not get to test in their classroom or with their teacher. Arriving early ensures the best testing environment for your child.
3. NO ELECTRONICS or BACKPACKS! All electronic devices - iPads, smart watches & cell phones - need to be left at home. Cell phones brought to school will be collected. Parents will be required to pick up cell phone at the front office.
4. Encourage your child to do their absolute BEST!
