Welcome Back Seniors!!!!

Believe it or not it is SENIOR YEAR!!! As we get the year rolling, I know many of you have already gotten a head start on college applications.

I would like to personally invite you all to join the West Ranch High School Counselors for a night packed full of College Information!! Mark your calendars for, August 30th at 6pm, in the West Ranch Theater, we will be discussing how to navigate the college application process. This is your chance to help ease some concerns before you embark upon your journey to higher education. The evening's workshop will cover the many different types of college applications, as well as Secondary School reports and letters of recommendation (how to request them at WRHS including very firm and important deadlines).

We encourage you to attend so that you and your student are apprised of all upcoming deadlines and procedures. I assure you it will be an evening full of great information. The workshop will focus on 4-year College Admissions. COC will present on their application process in the spring of 2019.

Do you have an interest or passion about law, public speaking, or problem solving? Mock Trial can be an extremely fulfilling extracurricular activity to pursue. Each year, thousands of students prepare legal cases that they then present, as a team, in front of a judge. **Come to room 534 at BRUNCH on Today, Thursday 8/22** for an introductory meeting to learn more about participating with the West Ranch Mock Trial team this year!

Suburbia, **West Ranch's Literary Magazine**, will be having a meeting tomorrow at lunch in room 206. If you are interested, come on by!
