

MT. HEALTHY JR. HIGH SCHOOL

PARENT ACTION COMMITTEE (PAC)

ABOUT OUR GROUP

Mt. Healthy Junior High wants to engage parents in the community and open up a venue to allow parents additional resources to support their child inside and outside of school. **PAC** is geared at having different speakers and organizations come in to help us deal with things that may affect our child (ren). *PAC will be a solution based group.* We all know that **education on any issue gives us empowerment.** The more we can educate ourselves on situations that children face the better we are equipped to deal with the challenges as they arise.

This first initial meeting will be just to talk and listen and find out what resources and supports are needed so we can plan accordingly for our next meeting. The first meet and greet will be *September 13, 2018 from 5:30-6:30pm.* I hope to see as many parents as possible.

Light refreshments will be provided.

In addition, we opened up our parent resource room in the junior high and invite parents to join us in the building.
