

April Science Camp

Eco-Earth Week

Earth is an amazing planet and we're going to celebrate some of the reasons why! This week we will work our way through food webs, ecological niches, and the natural forces of wind and water. Search for wildflowers and insects while learning about symbiotic relationships and ecosystems. Explore the wondrous planet earth with us!

RECEIVED
MAR 22 2019

Grades: K-2nd and 3rd-6th

BY: *[Signature]* **Dates:** Monday, April 8th - Friday, April 12th, 2019
