

Welcome to Fifth Grade at Carrie Ricker!

Dear Future Fifth Graders and Families,

We hope you are all looking forward to an enjoyable and exciting summer. We, the fifth grade teachers, are looking forward to a bit of rest and rejuvenation, and also to the time we will be spending planning how to make your fifth grade year as successful as possible!

We will be specializing in specific subjects, so part of our work will be to create individual schedules for each of you, as we will be changing classes for math and reading. You will have writing, science and social studies, as well as “class meeting” time, with your homeroom teacher.

You might be wondering what you’ll need for supplies. Carrie Ricker School strives to have all of the materials needed for each student, so if you cannot purchase all of these items, we will have enough for you. However, if you do want to buy your own supplies, here are the items you would need:

- pencils
- erasers
- pencil bag or box
- five two-pocket folders
- two spiral-bound one-subject notebooks
- one composition notebook
- earbuds
- black dry erase markers to be shared by all students

We hope that you’re looking forward to your time in fifth grade as much as we are. In the meantime, enjoy reading some good books and having all of that great outdoor fun, so that you can tell us all about it in the fall!

See you soon!

~ Ms. Mathieu
