## Inclement Weather Information

### *Non-Emergency School Closure*

The decision to keep school open, to close or have a delayed opening is based on the ability to safely transport students to and from school. The David Douglas School District makes this decision for all the schools in the district including Arthur Academy. Please check out the following link for more information about how we communicate this information to parents.

## Fill-A-Bag Competition

### *Kona Ice for the School?*

Bring non-perishable food items or spare change to school from now until December 21<sup>st</sup> and drop them in the school barrel. We are competing against Reynolds and Gresham Arthur Academy to see who can donate the most food to this worthy cause. The school collecting the most food will have a visit from [Kona Ice!](#)

## Winter Craft Night

Winter Craft night is Friday December 14th. Join us at 5:30 for a chili dinner in the lunchroom provided by the 5th graders (\$3/person suggested donation). Crafting will start at 6pm (\$4/crafter or \$10/family) in Kindergarten. This event can't happen without lots of volunteers! Contact Raychel Caputo at [rrwilderness@yahoo.com](mailto:rrwilderness@yahoo.com) or 503-784-5690 if you can help.

### *Lunchroom Help Needed!*

## Moby Max Challenge

We will be holding a Moby Max Competition during the month of December. Please see the attached flyer for more information.

## RACS

At Arthur Academy, our students are busy every day. Daily, they complete lessons in reading, language, math and spelling. We use the data from these lessons to help us inform our educational decisions. If students don't complete their work, we can't make informed decisions. Therefore, it is imperative that our students complete their daily lessons. If students fall behind they must attend a Required Assignment Completion Session (RACS). Please let me know if there are any questions.
