**DIRECTIONS:**

- Take roll and head directly to assigned location.
- Bring all belongings.
- Teachers, **sit among the students** to help supervise.

Use proximity control as needed to help keep students actively engaged. If your class is a mixed grade level class, only send students in the corresponding grade level, stay back and supervise the others.

\*\*\*If your name is not listed (and you are not on conference), choose a group to help! If you are on conference and want to see what StillWaters is all about, please join one of the groups. If you have to attend an ARD meeting during this time, please let me know (quick email is fine). ARDs are first priority.
