

2018 APES Summer Assignment

AP Environmental Science students have an easy and fun summer assignment.

1. Check out your textbook from the library.
2. Attend a workshop at the Santa Clarita Valley Water Agency for APES Students.
 - Worth **300 points**. Required.
 - Click on the link for dates and times and to sign up for a workshop. There are many dates and times available. First come, first serve.
 - **To register;**
 - <http://yourscvwater.com/>
 - From there, select **Learning Center** followed by **School Education Programs** followed by **Register for Classes**
 - At the top right of the screen it will read **"CLICK HERE TO REGISTER FOR ENVIRONMENTAL SCIENCE WORKSHOPS"**
 - Read the guidelines on the next screen and choose your school from the drop down menu. Click on "GO"
 - Select the desired date from the calendar. (The availability for each date will be shown).
 - Fill in your information and select "Submit"
 - The last screen has links to both the waivers and guidelines/directions.
 - You will receive an email confirming your registration. This also will have the links to the waivers and directions.
 - ***The waivers have to be printed, filled in, and signed by a parent or guardian. Do not forget to do this***

Directions to Castaic Lake Water Agency:

- Go East on Valencia Blvd.
- Turn Left onto Bouquet Canyon Rd.
- Turn right at the light into Central Park.
- Make an immediate left onto the road for CLWA.
- Tell the guard that you are there for the workshop.
- Take the road all the way to the top of the hill and follow the signs for visitor parking.

This assignment will get you off to a great start in APES! I hope you enjoy CLWA, it is a fabulous program just for you. See you in August!
