Summer Pre-Employability Leadership Training Program

Information & Application

The Flint & Genesee Chamber of Commerce is offering pre-employability leadership training to Genesee County high school students, who are currently 14 -19 years of age and in grades 9 -11 in the 2017-18 school year. Successful completion of this training program will be your entry to apply to the 2019 Summer Youth Initiative Job Fair and access to other employment opportunities throughout the year. Many teens who have completed the TeenQuest training program have secured summer jobs with area nonprofit agencies earning minimum wage. Here are the requirements:

- Attend high school in Genesee County (public, private, charter, alternative and home school)
- Currently are 14 -19 years old and in grades 9 -11 (must meet both age and grade levels in the 2017-2018 school year) **Teens who are currently in the 8th grade and will be going into the 9th grade in the 2018-19 school year are not eligible for the summer session.**
- Will commit to attend the program during scheduled time Monday-Thursday, over a four-week period from July 9th - August 2nd, 2018.
- Will bring a positive attitude and a goal of successfully completing the TeenQuest Program!

Are you ready for the challenge of TeenQuest? We are committed to helping you develop the necessary skills to prepare for a job, get a job, and keep a job. We will be offering after school sessions beginning in the fall if you are unable to attend during the summer session.
