3/17/2020

Dear St. Elizabeth Families,

Yesterday, Governor Murphy joined our neighboring states placing restrictions on restaurants, movies, malls and schools. As the governor stated, schools will be closed indefinitely. With this news, our teachers will continue to provide at home assignments for students to continue their education. Please know it is important for the assignments to be completed so credit can be given upon the students return.

Please do not come to school. If you need something, please leave a message on the phone or email me directly. No students or parents are permitted in the building at this time as we are continuing to clean and disinfect. When this is complete, the building will be closed. We will let you know when you can come in if needed, as items will be left in the lobby not the homework closet. New assignments for weeks three and four will be posted at the end of next week. I am hoping we will not need them, but we want to be prepared.

There are many additional opportunities for your children to explore and complete on line activities to keep students engaged such Bookflix and Trueflix which we subscribe to. The password to these services are

Username-sainte Password flix. There is also Khan Academy, and countless others and others.

We will continue this method of providing instructional materials. Teachers are accessible via email. If your children want to work on other activities such as art projects or science projects they may and submit photo of these projects for teachers to review upon their return.

This is a very difficult time for all. We have never experienced an event such as this. Please observe the recommendations from government officials in regard to social distancing. I know this can be challenging but I would like to see everyone back as soon as is possible. Report cards were mailed today with exception of Prek, as they will be handed out upon our return. The envelope has a label but no return address as I took the wrong envelopes home.

Happy St. Patrick's Day and stay well.

Sincerely,

Karen Lewis
