

Wildcats Take on Mitchell

During another hard-fought battle in this building season, Sophomore Atlatis Lax carries for the Fayette Ware Wildcats. The Wildcats took a loss at the hands of Mitchell-Memphis. Their next match-up will be September 7th at home, when Head Coach Michael Hodum will lead the Wildcats against Manassas.

Open Enrollment

Audience: FCPS Employees

Starting Tuesday, September 4 through Friday, September 7, enrollers will be available to meet with employees to provide you with valuable information on your benefits. This is your time to take advantage of a one on one meeting to learn and ask questions about important benefit options and changes that are taking place this year. Enrollers will be available to talk about the following benefits: Cigna Dental High Plan, Cigna Dental DHMO Low Plan, BCBST Vision, Section 123 Cafeteria Plan, Trustmark Universal Life, Legal Shield, Liberty National, and USAble. Lady Wildcats Overtake Lady Vikings

On Thursday, August 28th, the Lady Wildcats' varsity soccer team traveled to Fayette Academy to take on the Lady Vikings. The match resulted in a 3-1 victory for Fayette-Ware and Coach John Duke. On September 4th at 5:30PM, the Lady Wildcats will go for their next away-game victory at Covington. (Photos courtesy of Gina Graves).

TEA Endorsed Voluntary Benefits

Audience: FCPS Employees

Fayette County TEA is pleased to announce the availability of **new benefits** that offer teachers the option to have all their premiums returned to them. These benefits are in addition to the medical, dental and vision plans in our compensation package. These “voluntary benefits” are insurance policies that help protect you and your family from the costs associated with illnesses, injuries and loss of life. They are offered a la carte—so you choose only the policies you want and can afford.

Your premiums are deducted automatically from your bank account. Coverage is portable, so you can keep it if you change jobs or retire. **Most importantly, with their Return of Premium feature, these plans are designed to give you ALL your premiums back when you don't use the plan! Rather than the insurance company keeping your hard-earned money.** The new policies, offered through TEA endorsed Washington National Insurance Company, include: cancer, critical illness, accident, life insurance (goes to age 95 and covers long term care!), and a spouse and children can be covered on these policies. The weeks of **September 5th ~ September 14th** there will be a counselor on site to answer your questions. Details will be posted and announced at each school.
