August 14, 2018

Dear Valley View Families,

Welcome to the 2018-2019 school year. I would like to welcome our new families and welcome back our returning families. Our staff has been working hard in preparation of the students returning. We had new projectors installed, new carpet and our grounds removed turf and upgraded planters.

I would like to take this time to invite all parents to Back to School Night. This is an opportunity for parents to find out classroom procedures, homework policies, grade level standards and find out what your child is doing each day while at school. Please join us on Thursday, August 23rd from 6:00-7:15 p.m. We will have a short meeting in our MPR from 6:00-6:15p.m. Classroom visitations are from 6:15-7:15 p.m. For those of you with more than one child at our school, the teachers will give two presentations. One presentation from 6:15-6:45 p.m. and one from 6:45-7:15 p.m. These presentations will be the same, so feel free to attend either of them.

The mission of Valley View Elementary School is that through shared decision-making we will create unique and memorable experiences and learning opportunities that will help develop responsible citizens and instill enthusiasm for lifelong learning. As we work together sharing our strengths and talents, I know we can achieve this goal.

Sincerely,

Erica Williams  
Principal
