Mrs. Janice Swingle

December 10, 2018

Progress Reports are scheduled to go home tomorrow, December 11th. Please be sure to sign the progress reports and return them to school within 2 days.

Christmas at Canaan is this Friday, Dec. 14th at 7 p.m. We are asking that all students involved in the program be here by 6:30 p.m. As you were previously told, we are doing things different this year for the Christmas concert. We are excited about our Winter Wonderland! The gym will be decorated as an outdoor park scene. We will be having a hot cocoa and coffee stand open after the concert. There you will be able to buy a cinnamon bun, and/or individual cookies to go along with your hot drink! In addition to those, you will also be able to buy boxes of homemade cookies for \$10 a box.

We will also have several photo op areas where you can get your picture taken. We will let you know about those areas the night of the program. Be sure to either bring a camera or your smartphone!

We will also be taking a love offering for our teachers during the program.

SCHOOL NEWS APP is new for CCA. Information on downloading and setting up the app is coming home tomorrow. Anytime an announcement is posted on our website, the app will push that notification to you. It will also send you alerts when we have closings, early dismissals, etc. Eventually this will replace the remind text alerts.

SCHOOLSTORE.COM is a website where you can now go to do your shopping and support CCA at the same time. There is no special signing up or cost. It is very easy to participate in. Information on this program is also coming home in your family envelope tomorrow. Please take the time to read through it and participate if you are able!

BASKETBALL UPDATES include the cancellation of the Damascus game on December 17th and the addition of a varsity boys game on December 18th. They will play immediately following the varsity girls game.
