# Lifeguard Assessment Center

CITY OF SEASIDE + AMERICAN RED CROSS

The City of Seaside is looking for energetic and positive people to join our lifeguard team! If this sounds like you, sign up to attend our assessment center! Qualified candidates who complete the assessments successfully will be invited to attend the Red Cross Lifeguard Certification Program.

Upon completion of the Red Cross Lifeguard Certification Program, a background check, and a tuberculosis test, candidates may be eligible to work for the City of Seaside's Pattullo Swim Center. Scholarships are available for participants of B.J. Dolan Youth Education and Resource Center.

The purpose of the American Red Cross Lifeguard course is to teach individuals the skills needed to help prevent and respond to aquatic emergencies. This includes land and water rescues skills plus **First-Aid/CRP/AED in Title 22**. The purpose of the American Red Cross First Aid for Public Safety Personnel (FAPSP) course is to provide the participant with the knowledge and skills necessary to meet the first aid training requirements for lifeguards, fire fighters, and peace officers as defined in Title 22 of the California Code of Regulations. The responsibility for preparing for the final written exam and practical skills exam are shared by the instructor and the participant.

## COURSE PREREQUISITES:

- 300 yard swim demonstrating breath control and rhythmic breathing. May use front crawl, breaststroke or combination of both
