

## August 2018 Collaboration Day Summary

This was not a Collaboration Day for TK and Kindergarten teachers.

1st grade teachers discussed the new Reading Intervention design and how it can best fit the needs of their students. 1st grade teachers also looked at their upcoming unit on plants/Jack and the Beanstalk.

Second grade at LCE met as a grade level to discuss September events and projects. They discussed Memory Baskets and explained the project to their new team member. They also discussed Apple Day which is a major second grade event and who would be responsible for each of the activities. They will be adding a 5th activity because of the added 2nd grade class this year . They discussed how to incorporate Character Day (Sept. 15) into their Apple Day activities.

The Third Grade Team met to discuss and plan field trips for the year. NGSS standards and preparation, and the English-Language Arts curriculum were also discussed.

Fourth Grade teachers in the district met to discuss Language Arts Common Assessments. They came to a consensus but will meet again next Collaboration Day to bring their specifics together for Assessment #2 and #3. In addition, they discussed NGSS implementation and planning. LCE headed back to campus to collaborate on Back to School Night information and materials.

For Collaboration day, The 5th grade Language Arts teachers met with the PCY 5th grade Language Arts teachers to discuss the Language Arts Common Assessments that they will be giving this year. While the Language Arts team was working together, Ms. Schour and Mrs. Drange began looking at a science program called STEMScopes that they would like to use during the school year that covers the NGSS standards. Then as a whole grade level, the 5th grade teachers worked on Back to School Night information and discussed upcoming events.

The sixth grade team collaborated on the planning of the Human Body Systems Science Unit and the Chapter 1 Math Assessment. The team also brainstormed activity ideas for Character Day (Sept. 26) and discussed details for the December Pali Mountain field trip, and they completed administrative work for the trip.
