HOME LANGUAGE SURVEY*

The Office of Civil Rights (OCR) requires that school districts/charter schools/full day AVTS identify Limited English Proficient (LEP) students in order to provide appropriate language instructional programs for them. Pennsylvania has selected the Home Language Survey as the method for the identification.

The school district/charter school/full day AVTS has the responsibility under the federal law to serve students who are limited English proficient and need English instructional services. Given this responsibility, the school district/charter school/full day AVTS has the right to ask for the information it needs to identify English Language Learners (ELLs). As part of the responsibility to locate and identify ELLs, the school district/charter school/full day AVTS may conduct screenings or ask for related information about students who are already enrolled in the school as well as from students who enroll in the school district/charter school/full day AVTS in the future.

If your child is exempt for medical or religious reasons, please check the appropriate box and provide the required documentation. □ Religious Exemption – Parents may refuse immunization on the basis of a strong moral or ethical conviction. Each student in K, 1st, 2st, 3st and 7th grades will have a hearing screening. Each student in 6^a and 7^a grades will be screened for scoliosis. You will be notified if there are any findings by the school health department that require further examination. TO WHOM IT MAY CONCERN: If neither parent/guardian can be contacted in the case of serious illness or injury, I hereby authorize representatives of the Quaker Valley School District to act as my agent to secure emergency medical treatment for ____, a minor child for whom I am responsible when in the opinion of the school representatives such emergency medical treatment is deemed appropriate during the time when my child is attending school, going to and from school or attending a school sponsored function on or off school property. I hereby agree to hold the

Quaker Valley School District and its representatives harmless for exercising its judgment in authorizing such emergency medical treatment, and said representatives are specifically authorized to sign any required emergency hospital treatment forms

on my behalf. I also agree to assume responsibility for any charges incurred as a result of such treatment.

QUAKER VALLEY SCHOOL DISTRICT 100 Leetsdale Industrial Drive Leetsdale, PA 15056

Spring 2018

Dear Parents of Kindergarten Students:

Welcome to Kindergarten in the Quaker Valley School District. We are happy to have you joining our school community and want to do everything we can to make the transition to school a smooth one. Many children have school experiences before kindergarten and we recognize the significant growth and progress that has occurred during these years.

To aid in the transition to Kindergarten, we would like to ask your permission to communicate with your child's preschool so that they can share information about your child with us. This communication between preschool and Kindergarten teachers and staff will assist in your child's transition to Kindergarten.

With this in mind, we ask that you sign the records release form so that we can begin planning your child's Kindergarten year as soon as possible. If you have any questions about this form, please contact Mrs. Andrea Croft, Early Childhood Liaison.

Sincerely,

Carol Sprinker, Principal Edgeworth Elementary School

Aaron Rea, Principal Osborne Elementary School
