

Immaculate Conception Catholic School Continued Care 2019-2020

ICD Continued Care is provided before school, from 6:30 am to 8:00 am, and after school until 6:00 pm, every day ICD Catholic School is in session. In the event of a “late start” due to inclement weather, we will NOT be open for before school care.

Continued Care provides several different options to choose from. A two, three, or five day plan will be offered for both before and after school care, with an additional 4 day option for after care. Families may pick one option, or choose any combination of before and after school care.

Continued Care Payment Information

There is a \$25 registration fee due with your registration form. This fee will secure your child’s place on our roster for the upcoming school year.

We prefer that Continued Care fees be paid through FACTS Tuition Management Agreements. There are 3 payment options available to you:

1. **Option 1** - one-time payment for the year, due on August 5th. There is a 5% discount off of fees for paying with Option 1.
 2. **Option 2** - two payments, due on August 5th and January 5th.
 3. **Option 3** - ten equal payments, paid monthly August through May, with payments being due on either the 5th or the 20th of the each month.
- Should you need our services less than 8 days per month, you may choose the “Pay as you Go” option. For this option, fees are due the DAY OF SERVICE.
 - If you are a family that needs to use Continued Care for both before and after school care, we do offer a 50% discount on your morning care tuition.
