Just a reminder...if your child is going on a school sponsored field trip and they are approved by their doctor to SELF

CARRY their Epi-pen or inhaler, it is expected that they will have it with them and carry it when they go on the field trip. If your child is not able to self carry their inhaler or Epi-pen then the medication that is in the health office will go on the trip with the substitute nurse. Epi-pens may be held by a trained Epi-pen staff delegate. If you have any questions or concerns please call the office or email me at egrilletto@bordentown.k12.nj.us
