Dear Parents,

Here is an optional list of supplies that we suggest that all incoming 5th grade students have for next year:

2 inch binder with dividers and tabs OR a 2-pocket portfolio(s) for transporting assignments and homework to and from school	Erasers
Pencils (with lead, if purchasing a mechanical pencil)	A cushioned backpack with extra padding for the Chromebook.
Ear buds or headphones	A pencil box or pencil pouch
	A clean sock or eraser for whiteboard

Here are some optional items for the classroom (if they would prefer having their own rather than using classroom supplies):

Glue stick	Scissors
Colored Pencils or Crayons	Highlighter
Whiteboard marker	

If times are tight in your household, please let us know, and we will do our best to supply items for your students.

Thank you for your support. We're looking forward to a fantastic year!

Sincerely,

Mrs. Cholakian
