January 22, 2019

Dear Parents and Guardians,

Camp Koala and the **Summer Workshops** at Hill are back! We look forward to a great summer with your children.

Once again many SJHA teachers have joined our Camp Staff. Mrs. Gregor will be our Executive Camp Director and Ms. Brady and Ms. DeAngelis will be the Assistant Directors. The following staff will join our summer camp and workshops: Ms. Alessi, Mrs. Azzarello, Mrs. Ettinger, Mr. Liantonio, Ms. Marchi, Mr. Pucilla, and Mr. Smith.

Camp Koala will be for students Pre-K4 through 3rd grade. This year camp will include art, drama, soccer, bowling, dance, cake decorating, Creative Chefs, STEM, t-ball, basketball, Italian, Bricks4Kidz, drama, Girl Scouts and so much more. We will also be using the harvest from our afterschool Space Farming program to integrate Creative Chefs into our camp community.

The **Summer Workshops** will be for students 4th grade through 8th grade and will include your choice of a special two week program for robotics, a week of soccer or a week of cheerleading. You can sign up for one week or as many as you like!

There will be an early bird discount and a sibling discount:

Early Bird discount: If you register by March 1, 2019 we will waive the \$30 registration fee.

Sibling discount: First child is \$300 per week, all other siblings will be \$250 per week.

More information about our summer program is found on the reverse.

Sincerely,

Mr. Hansen
Principal
