#### PEP RALLY INFORMATION - Please Read!!

This is a very hectic time on Friday. For safety reasons and to help with car pick-up traffic, we are asking for the parents' help. If you are attending the pep rally and not going through normal car pick-up afterwards to get your child, we recommend that you check your child out through the office by 2:10 P.M. and DO NOT park in any of the pick-up lanes for school dismissal. **Please send a note to your child's teacher telling her they will be checked out.** They will sit with you at the pep rally and not their class. Your child will not return to the classroom. The teacher will be responsible for students not checked out prior to the pep rally. Those students will return to the classroom with the teacher and go to regular car pick-up, bus, or aftercare.

*If your child is in 3rd Grade and checking out for pep rally, he/she needs to be picked up by 1:15 because they do not return to the classroom before pep rally.*
