Dear Lakeview Parents,

Welcome to the 2018 – 2019 school year! Lakeview is off to a great start and our staff has been working hard each day to ensure that all students are successful this school year. Over the summer, construction was completed on a brand-new audio/visual system in our multi-purpose room, which hosts many school activities throughout the year.

I am honored to begin my first year as principal at Lakeview. I would like to extend a warm welcome to all of our new parents and families. I look forward to getting to know each one of you. At Lakeview you will find a community of learners made up of outstanding students, a dedicated and expert staff, active and involved parents, and a supportive community. By working together we can provide a wonderful, high quality learning environment where all students can achieve success.

Yours,  
Principal Williams

*Fundraiser Success!*

Lakeview's annual Jog-A-Thon fundraiser was held on September 27, 2018. Our students worked diligently to collect sponsorship donations, which all went back into Lakeview classrooms to fund future field trips, special assemblies and other projects. Thank you to all those who came out for supporting our students and Lakeview Elementary!
