

Dear Parents and Students,

The Foodservice Department at Tuscarora School District recently purchased a new Point of Sale (POS) system for the cafeteria. This new system will assist us in increasing the level of service we provide, as well as generate accurate school meal counts. We are currently preparing to implement this new system in our district on December 18, 2018.

For cafeteria purchases, students will continue to use their current ID number. Please note that serving lines may be slower for the first couple of days with the new POS system, but as the students familiarize themselves with the system the lines should move much more quickly.

To fund your student's account, we recommend parents/guardians deposit money using [MySchoolBucks](#). Cash and check payments will also still be accepted. You can also use MySchoolBucks to receive low balance alerts, set up automatic payments, and set daily/weekly spending limits. MySchoolBucks will have a temporary shut down starting on Friday, December 14th until Tuesday, December 18th so that balances can be transferred into the new system.

Funds that remain in your student's meal account at the end of the school year will be carried over to the next school year. Please note that if your student's meal account runs out of funds, our district allows a student to eat both breakfast and lunch regardless of their account balance. Please refer to the meal charge policy provided to you at the start of the school year or on our website under Food Services for more details.

If your student has qualified for free or reduced meal prices, this information is noted in the system and the meal will be processed just as it is for all other students without any special indication to other students.

If your student has any allergies or other medical concerns, please notify us so this information can be placed in the system. This will alert our staff to help monitor their meals.

If you have any questions, please contact our Food Service Department at 717-328-3127 ext 2815 and we will be glad to assist you.

Sincerely,

Ann Lewis
Food Service Specialist
