

In recognition of Autism Awareness Month, our district will be

## **BLOWING BUBBLES FOR AUTISM!**

For several years our district has participated in this activity as a way to symbolize our collective efforts to increase awareness of this disorder. We would like to continue this meaningful tradition, but this year, we will be doing things a bit differently.

While we can't join together at school, we are asking families to participate from their homes during a

**Virtual Blow Bubbles for Autism Event on April 2, 2020.**

Here's how it will work: Gather your family members, and some bubbles, and head outside on 4/2 at 2:30pm. Send some bubbles out into the world to show our support for those who are affected by Autism.

We are also encouraging students to make signs that complete this sentence: "I blow bubbles because..." as we have in the past.

**There will be a post on our District Facebook page dedicated to pictures of our DT families participating.**

**Please share one there!**

**Thank you for your support!**
