

Bayfield Schools and Community Welcome Fair

Dear Community,

Please join us for the second annual **Bayfield Schools and Community Welcome Fair**. This is an **open-house gathering for you to make connections, learn more about different organizations, and talk to people in an informal environment**. We know how busy people are, and this will offer you a one-stop-shopping opportunity to meet with various organizations. Meet principals, counselors, find out where to get help, volunteer for the PTSA, join Scouts, learn what a school accountability committee is, and, well, you get the idea. Here is the time and place information:

Date: Wednesday, September 19

Time: 6:00 – 8:00

Location: Bayfield Intermediate School (In The Commons)

A partial list of organizations that will be participating include:

Best regards,
