## March Newsletter

Happy March everyone!!! It seems our year is speeding by. We are so happy to be helping between 90-100 students in the BUSD each week. It is because of the continued support of the community, parents, and teachers that our program is so successful.

We want to thank the parents and teachers who supported our February all district food drive organized by the Bonsall Teacher's Association. We were overwhelmed at the amount of food and money that was donated to our program. A special thanks to Bonsall Elementary and Bonsall West parents and teachers who collected a huge amount for our program. Thanks to our volunteers who collected the food each week.

WE NEED YOUR HELP with a fundraiser we will have the first two weeks in May. We want to have an online auction which we hope can become an annual event. May 1-14 we will have auction items for bid. We need items from local businesses or corporations in Bonsall, Fallbrook, or Vista. I have a letter ready to go and all donations will be tax deductible. If anyone would like to help with this auction, please contact Kelle Pato at BES or call me at 760 224-1098.

We already have donations from

USS Midway Museum    Chipolte    Rubios

Dream dinners Temecula    Round of Golf in Oceanside

There is no limit to the kind of items we need. Themed gift baskets, admission tickets, dinner in a restaurant, bottle of wine, or free lessons are just a few ideas. If you know a business owner and want to contact them I will send you the letter and can also give them a tax receipt.

This can be a huge fundraiser with a minimal amount of work if we do it right. If you are willing to help or have any ideas please let us know. Here is an online auction run by my daughter in law -- And yes I know it's a little more involved than ours would be but it's an example. This company will organize it all and only take 5% fee.
