

Westfield's Future: Plan it. Live it. Love it.

Help Plan Westfield's Future – The Town of Westfield has officially kicked off the public input portion of its Master Plan Reexamination and Strategic Parks Plan, which means that the time has come to provide your feedback and have your voice heard.

Whether your concerns are related to parking, development, historic preservation, recreation facilities, or other areas, it's important that the updated Master Plan and new Parks Plan be a reflection of the community at large and the will of its residents.

To that end, Community Workshops hosted by the Town's contractors (H2M and Brandstetter Carroll) have been scheduled to give Westfield residents, business owners and other stakeholders the opportunity to participate first-hand in the planning process.

You are invited to bring your knowledge, experience and passion to the interactive public forums to be held on the following dates:

- **Thursday, March 21, 7:00 – 9:00 p.m.** in the Edison School cafeteria (Master Plan Reexamination only)
- **Wednesday, April 3, 7:00 – 9:00 p.m.** in the Community Room of Town Hall (Master Plan Reexamination and Strategic Parks Plan)
- **Wednesday, April 24, 7:00 – 9:00 p.m.** in the Edison School cafeteria (Master Plan Reexamination and Strategic Parks Plan)
- **Monday, April 29, 7:00 – 9:00 p.m.** in the Community Room of Town Hall Community Room (Master Plan Reexamination only)
- **Sunday, May 5,** downtown Westfield at the annual Spring Fling (Master Plan Reexamination only)

In addition to the Community Workshops, don't forget to take the online surveys as well, which can be found at www.westfieldnj.gov/futurewestfield and www.westfieldnj.gov/parksplan – both of which will remain open until September 3, 2019.
