Improving Lives by Producing Successful, Lifelong Learners

To: The Class of 2022

Re: Smart Start

Welcome to Grandville High School. We are very excited for your future at GHS and can't wait for school to start. In order for your first semester of high school to go smoothly, you are required to attend a registration event called Smart Start. Smart Start is a student specific (no parents) change for you to come to the building in smaller groups. While you are here, staff and students from GHS will help you with getting your school pictures taken, turning in your forms, picking up your Chromebooks, and taking a tour of GHS. More importantly, you will have time to meet your counselors and be part of a presentation where you will learn some basic information about GHS.

Smart Start is broken up into four groups based on your last name. You are required to attend your session and you must stay for the entire time. Students who choose not to attend typically have a very difficult first few weeks which leads to long term difficulty in the first semester. The first semester of high school is a very good indicator of future success at GHS and we want to make sure that we do everything in our power to get you started in the right direction.

August 14 last name A-D 7:45 a.m. - 10:30 a.m.
last name E-La 9:45 a.m. - 12:30 p.m.

August 15 last name Le-R 7:45 a.m. - 10:30 a.m.
last name S-Z 9:45 a.m. - 12:30 p.m.

Please find the yellow and pink forms in this packet. Bring those completed forms with you to Smart Start, along with your picture order form that you will receive in the mail. If you are unable to attend during your assigned time, you may attend one of the other sessions listed above. Please call the GHS office (254-6430) if you have any questions. We are very excited and look forward to meeting all of you.

Adam Lancto
GHS Principal
