

# LIVINGSTON CHRISTIAN SCHOOLS

7669 Brighton Rd, Brighton, MI 48116 810-900-1200 [livingstonchristianschools.org](http://livingstonchristianschools.org)

Dear LCS Families and Friends,

I want to formally and without trepidation thank each parent, student, staff member, volunteer and all that love LCS! Together we have come a long way. Last year at this time we truly did not know how things would go. We were all a bit worried about where we might end up and/or in what condition the school would be upon our imminent occupation of the building. I can say for me and my family we thoughtfully and consistently prayed for guidance and patience and most of all humility, throughout last year. After all the endless board meetings, township meetings and other meetings ... did I mention meetings... I think we were all a bit weary. Many times, it seemed we were up against odds we could not surmount. I remember many times thinking which avenue can we cross now, what is the next step; a door will surely open. With God's will, doors opened far and wide for our school. We have prevailed! I am so pleased to say when I open the front doors of our school I feel God's love abound, surrounding and protecting our school family.

Now that we are settled, the board has had a chance to add new members and we have our targets set on the sustainable future of the school. We know that to remain relevant and competitive we must continually strive for excellence in education. We believe this is our time to shine and we plan to take full advantage of the tail winds God has provided for us. For those of you who have felt disenchanting, we humbly ask that you look forward with us with excitement and great anticipation for many new experiences to come. I will caution you that with great strides forward we will have growing pains, but I could not be more confident we are equipped for the task. As a family, we have pulled through much diversity together, and we are all better for it.

I think if we can all look back over the past year we can now take a long sigh of relief! We made it, the big hurdle has been crossed, and now we can dig in and really capitalize on our accomplishments. I can confidently say that I believe we are on a steady path. And even more importantly, I also know we have faithful followers watching over our actions to be sure our alignment is true to God's Word. Therefore on behalf of the entire LCS organization, I would humbly ask you to prayerfully consider making a special year-end donation in order to meet this year's financial obligations.

We understand not everyone is able to donate, but for those of you who are able, please send your gift, which may be tax deductible, to the office. You may also donate electronically by visiting the following link and clicking on the "Make a Gift" tab:

<http://www.livingstonchristianschools.org/>

On behalf of the entire Board, I thank you in advance for your donations and your prayers!

In Christ's service,

Robert Wiegand

Livingston Christian Schools Board Chairman
