

A new cell phone policy will be implemented for the 2nd semester — NO CELL PHONES allowed during class time.

Cell phones have become a way of life, a technological convenience that has impacted all of our lives in one way or another. However, in the school environment, cell phones can be a distraction, an interruption, and a method of illegal exchange of information. The ringing of the cell phone during class or the text-messaging takes away from the valuable time needed for instruction and most importantly, student learning. Parents are urged to utilize the school phone to relay any messages that may be urgent in nature to their child.

Classrooms and other instructional areas are NO CELL PHONE Zones unless specifically instructed by the teacher. Students may use their cell phones between classes and during lunch.
