## **ADVANCED PLACEMENT CLASSES**

All students are encouraged to participate in Advanced Placement courses. For many AP classes prerequisites and criteria must be met. We hope all students enrolled in an AP class take the AP exam. Though these courses are very rigorous, they provide a very rewarding educational experience. See your GLC for more information.

## **REPORT CARDS**

Report cards are issued six times yearly – at the end of each six-week grading period. Semester grades (those indicating grades for one-half

year) are entered on your permanent record. Up to date grade information and student progress may be accessed via the **PARENT PORTAL** program on the WHS web site.

## **PARENT PORTAL**

*Parent Portal* is Walnut High's online system you can use to view your student's progress in their current classes. You can also use Parent Portal to see attendance records and other information about your student. You can view this information when you log into *Parent Portal* through any internet connection.

Please remember that different assignments take various lengths of time to grade. For example, a short quiz or multiple choice exams can be graded faster than an essay or research paper. Please keep this in mind as most of our teachers see over 170 students each day and there is a time factor required to grade and record each assignment so it then appears on *Parent Portal*.

This is what you need to create a *Parent Portal* account.

- An email address
- Student Permanent ID number
- Home Telephone number (as listed in our student information system)
- A verification code (provided to you by WHS)

Before you create an account, it is strongly recommended that you obtain and completely fill out the WHS *Parent Portal* Form. They are available for the receptionist in the front office. This collects all the information you need to successfully create a *Parent Portal* account. Once you have the form completed, you can then visit our *Parent Portal* website, <https://parents.wvusd.k12.ca.us/abi>

## **ATTENDANCE**

It is the belief of the staff at Walnut High School that attendance in school is paramount for the teaching-learning sequence to take place. It is also the intent of our state legislature that youngsters in California are to attend school.

### **1. Unexcused Absence**

- A. When a student has been absent from a class without a valid excuse, they will be subject to disciplinary action.

B. All absences are to be cleared within one (1) school day after the last date of absence. The preferred method for clearing absences is via parent/guardian phone calls to the attendance office at **909-444-3625 or 909-444-3642** on the day(s) of the absence(s). A student may bring a note to the attendance office the day he/she returns to school. **IF AN ABSENCE IS NOT CLEARED IN THREE DAYS THE ABSENCE WILL BE CONSIDERED TRUANT AND THE STUDENT WILL BE REFERRED TO HIS/HER GRADE LEVEL COORDINATOR.**

## 2. Excused Absences

- A. Most excused absences will entitle the student to make up missed work. The exceptions to this will be those absences due to personal or family business. The assignments missed as a result of these absences may not be made up.
- B. Students who have several excused absences (more than 15%) causes the excessive missing of daily teacher direct instruction and class participation. This may consequently put the student in danger of failing. These students will be referred to their GLC.
- C. Student attendance and tardy records will be transferred if they change classes.

## 3 Approved Extended Days of Absence.

- A. The student will get prior administrative approval.
- B. The student will see each of his/her teachers for assignments that will keep him/her as current as possible with the class while absent.
- C. All make-up work must be completed and turned in within five (5) school days after the student's return.
- D. Final Exams may not be taken early to accommodate leaves.

## 4 TARDYS

- A. **FIRST TARDY** - Teacher will inform the student.
- B. **SECOND TARDY** - Teacher will inform and counsel with student.
- C. **THIRD TARDY** - Student is referred to GLC and is assigned to detention. The parent will be notified.
- D. **FOURTH TARDY** - Student is referred to GLC. The student will be assigned to detention. The parent will be notified
- E. **FIFTH TARDY** - Student is referred to the GLC who will contact the parents. The student will be assigned to Saturday Work Adjustment Program (SWAP) depending on the number of previous detention assignments.

**NOTE: WHEN THE ABOVE FIVE STEPS HAVE TAKEN PLACE AND THE STUDENT CONTINUES TO BE TARDY, FUTURE TARDIES MAY BE CONSIDERED DISRUPTIVE TO THE EDUCATIONAL PROCESS.**

- F. **SIXTH TARDY** - Student is referred to the GLC and assigned to Saturday Work Adjustment Program for disrupting the educational program. Parents will be contacted by the GLC and informed that on the next tardy or class cut, the student may be assigned to an Isolated Classroom Experience.
- G. **FUTURE TARDIES** – May be considered defiant and disruptive to the educational process. As a result, the student may be assigned disciplinary action.

**NOTE: FAILURE TO ATTEND ASSIGNED DETENTIONS AND OR ‘SWAPS’ WILL RESULT IN THE STUDENT FACING PROGRESSIVE DISCIPLINARY ACTION. (SWAP-ICE-SUSPENSION).**

**CAMPUS SWEEPS FOR TARDIES** – Periodic campus sweeps will be held to reinforce the tardy policy. The administrative staff and the Grade Level Coordinators will conduct sweeps of the campus when the tardy bell rings. Tardy students may be assigned to a detention, be given a tardy for the period of the sweep (class work missed due to this procedure may not be made up) and the student’s parents may be contacted by the GLC.

### **STUDENT RELEASE**

Photo ID and signature is required for early student pick-up and the person picking up the student must be on the emergency contact list. When a student is being picked-up early, we will not call the student out of class until the person picking up the student is present in the office.

### **HALL PASSES**

1. Hall passes are to be restricted to emergency use – this does not include going to lockers for books, assignments or supplies.
2. Hall passes will be used for all students out of class (except referrals) with the student’s name, the time and the designation duly noted.

### **STUDENT LUNCHESES**

*Due to many problems and safety issues we **DO NOT** allow student lunches to be delivered anywhere on campus. Food, drinks or other items are **NOT** to be passed to students through the fence. This is*

*strictly prohibited. We understand the importance of student nutrition but we encourage students to either purchase lunch at school or bring their lunch from home.*

## **INFORMATION CENTER**

The school library is a pleasant place to read or study. It is open from 7:15am to 3:30pm daily. Library regulations are posted. Please make yourself familiar with them.

## **CLASSROOM**

### **“STUDENT EXPECTATIONS”**

1. Students will attend every class, every day, and be on time.
2. In order to receive daily credit, students are to bring **ALL** necessary materials to class. Students will not be excused from class to get any materials.

## **CELL PHONES AND ELECTRONIC MEDIA DEVICES**

The Walnut Valley Unified School District acknowledges the importance of electronic communication between students and parents, particularly in school-wide emergency situations. Further, the District recognizes that instructional time is precious and must be protected from unnecessary disruptions.

Therefore, students shall be permitted to have in their possession an electronic signaling device on campus during the school day, while attending school-sponsored activities, or while under the supervision and control of a school district employee.

The following guidelines will be adhered to in respect to the use of cell phones and other electronic devices:

1. Cell phones and media devices including iPods, headphones, etc., **must** be turned off and put away during all class periods (0 – 7) unless a staff member has clearly stated and directed students to use them in class for instructional purposes.
2. Cell phones are **NOT** to be used in any locker rooms or restrooms.
3. These devices may be used on the campus **before** school, **during** passing periods and lunch and **after** school.

**NOTE: STUDENTS BRINGING CELL PHONES AND ELECTRONIC DEVICES TO SCHOOL DO SO AT THEIR OWN RISK.**

### **STUDENT HEALTH SERVICES**

If you become ill during the school day, your teacher will give you a referral to the health aide.

Excuses to be exempt from physical education activities may be issued by the health aide upon presentation of a note from your doctor and/or parents.

So that all necessary health services may be rendered, you are required to have current Emergency Information on file.

### **MEDICAL AND DENTAL APPOINTMENTS**

A written note from your parents should be presented to the Attendance Office prior to the appointment. The note should state the day and time of the appointment. You will be excused from classes for the time that you need.

### **CLOSED CAMPUS**

Walnut High School maintains a “closed campus.” This means that no student visitors will be allowed on campus during the school day unless they have a pass from the administration. This policy also means that Walnut students may not leave the campus from the time they arrive at school until their school day is over unless they have been issued an “Off-Campus Pass” by the Attendance Office. This policy also applies during ‘Late Starts’.

### **SEXUAL HARASSMENT, “HATE VIOLENCE” OR INTIMIDATION**

The Walnut Valley Unified School District and Walnut High are committed to equal opportunity for all individuals in education. If you feel you are being intimidated in any way, or see yourself as a victim of

either “sexual harassment”, “hate violence”, or “bullying”, report the incident to any staff member **IMMEDIATELY**. These actions are a violation of state, district and school policies and are against everything this school stands for and believes in.

### **ANTI-SMOKING POLICY**

As of July 1, 1995, tobacco or electronic cigarettes use is prohibited on all school district grounds and in all district buildings and vehicles. This includes at the stadium during football games or other athletic contests.

### **SKATEBOARDS, HOVERBOARDS AND OTHER UNACCEPTABLE ITEMS**

**Skateboards** are not permitted on campus at any time, and riding skateboards on campus is prohibited at all times. Serious and expensive damage has been caused from the use of these recreational items on this campus. If you ride a skateboard to school you are to get off of it before you get on the school grounds and carry it onto the campus. It is to be stored in the ‘skateboard rack’ located just outside of the administration office during school hours.

Other unacceptable items include **pepper spray, laser pointers, mace, heavy chains, and wide-tipped paint or ink marking pens, or any other item in violation of any state law.**

If any of the above items are on campus, they will be taken and appropriate action will be taken.

### **ACTIVITIES**

Walnut has a very diverse and comprehensive program of activities available to high school students. Some of the major events include: homecoming, concerts, assemblies, formals, after-game and casual dances, plays, athletic competition in 23 sports and more than 100 various clubs. During lunch there are many “surprise” activities throughout the year. All students involved in extracurricular school activities, i.e., sports, performing arts, band, cheer etc., are encouraged to purchase an ASB card.

### **STUDENT PARKING**

The faculty parking lot **MAY NOT** be used for dropping off or picking up students at anytime. Students are to be dropped off in front of the school or the student parking lot only.

Parking on campus is at your own risk. Students parking on campus must have a parking permit for any car they drive to school. Cars without parking permits or with vehicle violations, such as no front license plate, may be issued citations. Cars parked on campus are subject to search.

Applications for Parking Permits are available at the Assistant Principal's office before school, after school, and during lunch. Requirements that must be met to complete the Parking Permit application are:

1. A Valid California Driver's License.
2. Proof of Insurance (driver is listed on the insurance policy)
3. Parent's or Guardian's Name.
4. Parent's or Guardian's Signature of Consent.

Cars are not to be used as an extra locker to store books, lunches, etc. The parking lot is an off-limits area except when arriving at school or leaving at the end of the day.

Both WHS parking lots will be closed to entering vehicles during the last 15 minutes of the school day until approximately 3:00 p.m. Students picked up by parents or friends must find another location or wait until after 3:00 p.m.

Citations are issued to cars that do not display appropriate parking permits or are parked illegally.

For the safety and protection of all students, staff and visitors using the parking lots, the following Parking Lot Regulations must be followed:

1. A current parking permit must be displayed on the right side of the windshield. A Temporary Parking Pass will be issued by School Security for those who have 'special' circumstances.
2. Seniors **must have** a valid school-parking permit before applying for a Senior Parking Space.
3. Cars are to be parked in the student lot and are to be parked in designated parking spaces only.
4. All vehicles **MUST** be parked in a 'head-in' direction. No backing-in parking is allowed.
5. Student parking in faculty or visitors parking lots/areas during the school day is strictly forbidden.

6. Students may not return to their automobiles during the school day except when leaving.
7. All Traffic Laws, **including the posted speed limit**, must be followed.
8. **Failure to abide by these regulations may result in criminal or disciplinary action which could include the loss of the privilege of parking in the school lot.**

### **GUIDELINES FOR STUDENT DRESS 2019-2020**

Schools are responsible for the establishment of an effective learning environment and the orderly operation of the school, one in which the safety of all students is of the highest priority. With this in mind, Walnut High School has developed and implemented dress code requirements and guidelines which reflect law enforcement recommendations for safety as well as community expectations. These regulations are known and articulated by the staff to parents, and students and enforced fairly and consistently.

At Walnut High School we believe that the responsibility for the proper attire of all students rests with the parents/guardians, but, we believe that there are certain requirements for dress, which must be observed in a school. The administration and school staff have the ultimate responsibility to determine whether clothing meets appropriate standards.

An individual's clothing, jewelry and hairstyle must not be a distraction to the teaching/learning process. Those cases which distract from the learning environment will be handled on an individual basis.

Students who violate the dress code guidelines will not be allowed to continue or return to class until their dress meets acceptable school standards (sometimes this can be done by adding clothing, turning a shirt inside out, etc.; sometimes a student may need to be sent home to change). Students who continue to violate the dress code will be subject

to disciplinary action (detention, Saturday Work Program, ACE and as a last resort, suspension for defiance).

## **SPECIAL DRESS CODE GUIDELINES**

A student's dress at school is **unacceptable** when:

1. It contains offensive or obscene symbols, signs, or slogans degrading any cultural, religious, sexual or ethnic values.

6. The student is wearing pajamas (bottoms or tops)

### **GRADE LEVEL COORDINATORS**

Your grade level coordinator is the best person on campus to help you with academic and school-related concerns or questions. See your GLC if...you are worried about grades or problems with a class...problems with another student are reaching the boiling point...you feel you are being sexually harassed...you feel that you need help with personal problems, or...if you have questions or concerns of any kind. Your GLC is the first person you or your parents should contact at WHS. You can see him/her on campus between classes, at lunch, before or after school or by making an appointment with them in their office.

  - Teachers can sign-up students to come to a designated tutorial
  - Teachers can request students to come to their class to help as peer tutors

- Students may sign up to receive academic support from that teacher
- If a teacher feels their room will be overcrowded, then they can use the sign-up sheet to control tutorial.
- **Students have the option to choose one of the following areas:**
  - Go to a teacher of their choice for assistance (Must have that teacher in their current class schedule)
