Login to your SIS Aspire Account: <https://summit.usoe-dcs.org>

You will need to login under your parent SIS Aspire account and not under your student's account. If you have more than one student at Summit Academy you will select each student that is returning, if you only have one student the student profile will appear.

Step 1 – See the green flag that will show you the next grade level of your student.

Register Student for Grade (-) Select the link to start the process.

The screenshot displays the Summit Academy SIS Aspire Account interface. At the top, there is a navigation bar with 'aspire home', 'students', and 'reports' links, along with a 'Logout' button. The main content area is titled 'Student Name (SIS Number)' and features a 'Register Student for Grade' checkbox with a green flag icon. A blue arrow labeled 'Step 1' points to this checkbox. Below the checkbox, there are several sections: 'Assessment' (Student Achievement Backpack Reading at Grade Level), 'Fees', 'Free/Reduced Meal Application', 'Lunch Account', 'Account Balance Detail', 'Registration', and 'Signed Agreements'. The 'Assessment' section includes a table for 'Grade (Year)' with columns for 'Fall', 'Mid-Year', and 'Spring'. The 'Lunch Account' section has a text input field. The 'Registration' section has a 'Print' button. The background of the interface shows a scenic view of a mountain range with yellow autumn foliage.
