## Science Fair

LAICHS held their very first Science Fair on Thursday, April 12, 2018. We had a very good turn out. Over 70 students presented their projects to their families and school staff. In addition, approximately 115 families came and supported the students. The students had a 3 month period to conduct their experiments and form their final projects. Also, it took one week to prepare for the science fair. According to Mr. Restrepo, the fair was "very engaging, many students with smiles excited to share their scientific questions and findings". Although the science fair was mainly for the students, there was a room filled with fluorescence and infrared lights that the younger siblings enjoyed. Thank you to Mr. Restrepo from LAICHS for your hard work!

## Meet Ms. Medina

Who made you want to become a dancer?

Watching my older brother perform when I was little made me want to become a dancer.

What is your favorite color?

Purple is my favorite color.

What's your favorite food?

I like eating anything that is edible.

Where were you born ?

Phoenix, Arizona

Hobbies?

Writing, dancing, hiking

Cats or dogs?

Cats, of course. I have one and I want another one

## Spring Fling

LAICHS put on a Spring Fling dance on April 13, 2018 from 6 - 9 PM. This dance was to raise money for athletics. Ms. Tejada put on a spectacular event with a DJ, dancing, and candied apples. She said, "With plenty of support from the parents and chaperones, the dance was a success! The DJ was great, the students had fun, and Athletics was able to raise some money for the sports teams!" Thank you Ms. Hernandez, Ms. Lepore, and Ms. Mitton for chaperoning and making sure all students had a good time and were safe.

Seniors do not forget your due dates and remember to keep those grades up!  
Finish the school year off right.

This year is coming to an end and that also means our beloved seniors will soon be leaving LAIHS on June 6, 2018. After 4 years of so much work and stress it was all worth it in the end. All of the seniors have been accepted into a lot of amazing colleges which they will be soon attending. This is not the end, but just the beginning of their lives!

## Testing Time!

Make sure you get plenty of sleep the nights of the SBAC and AP tests. Create a study schedule so you can ensure you are at your very best the day of the exams. Eat a good breakfast and drink plenty of water the day of to get your body ready. If you have any questions about how to prepare for any of your AP tests, talk to your AP teacher or Ms. Hernandez so they can help you come up with a plan! Most importantly, remember that you guys have this and are going to do great! Confidence is key!

## Why Choose AP?

AP skills learned in the course will help students to be well prepared college course. If you choose to receive, and to take AP tests and get a 4 or 5 most colleges will award you college credit. Give you a bigger understanding of the subject of the test,

It prepares you for the harder classes that are to come in college, Teaches you different ways to study for a test.

It helps you win scholarships.
