

Resetting a MAC for Printing at ZCS

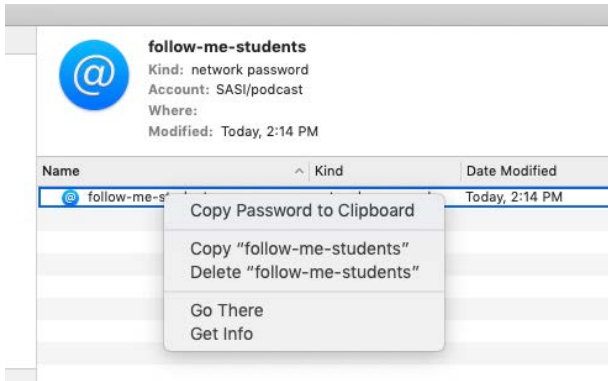

1. Go to the upper right hand corner and select the magnifying glass(called spotlight)

2. Type in "Keychain" into the text field.
3. Open KeyChain Access and search for Follow-me-students.

4. Right Click the follow-me-students(command click) and select to delete and then delete.

5. Go back to the document you wish to print and select the “follow-me-students” printer and hit “print.”

6. Enter your username and password with a SASI\ in front of your username.
