

Chicago Bears Drum Line visits Ardmore School

At Ardmore School, four members of the Chicago Bears Drum Line visited on Friday, Aug. 24, creating a celebratory mood for the school's annual kick-off of the PBIS (Positive Behavioral Interventions and Supports) program.

Principal Janet Diaz welcomed the students to their first assembly of the year and explained that the stu-

dents would be learning about ways in which they can be safe, respectful, and responsible in every area of the school.

All the staff members introduced themselves and students were showered with confetti before they rotated to different locations in the school to talk about the ways in which they are expected to behave.
