

Dear Parents,
 This school year, we will continue to set behavioral expectations that supports respect to self, respect to others and respect to property. I encourage you to review what these areas should sound like and look at school and on the school bus. The back of this document has our voice level chart. Students in grade 1-4 should be able to explain this chart to you, and our K students will learn about the expectations. Thank you for your support!
 Mrs. Willig

Keys to Hahntown

Keys to the Bus
