

## 2019 STEM COLLABORATIVE

The Blair County Chamber of Commerce BASICS STEM Committee is pleased to provide a fun and educational opportunity to the students of Blair County. The 2019 STEM Collaborative will provide students entering grades 9-12 the chance to create, collaborate, think critically, and enhance communication skills while engaging in hands-on, high level, intensive STEM experiences.

**\*\*\*Online Registration is now OPEN\*\*\***

### Costs are as follows:

Two five-day programs are offered at two different sites/ dates for \$100 per site. This rate is made possible by partnerships with Blair County schools and businesses.

*These programs are open to all Blair County students, who are encouraged to apply for either site. Students are welcome to attend both camps.*

### Session Locations and Dates

#### Hollidaysburg Area High School

June 17-21, 2019 from 8:00 AM – 2:30 PM

Astronomy—The Study of the Universe, Forensic Science, Brain Safety Challenge

#### Tyrone Area High School

July 15—19, 2019 from 8:00 AM – 2:30 PM

Design Tiny Houses, Engineering & Design, Earth and Space—Rocket Design

The online application form should be completed by student/parent or guardian. Following this, we will communicate with your school district to confirm recommendation for this program.

Selection is limited to **30** students per site.

Each student will experience three different units delivered over the 5-day camp.

Application deadline to be considered for the program is March 29th, 2019

To access the application go to: <http://www.iu08.org/stemcollaborative>

**If you encounter any difficulties with this registration process please contact Appalachia Intermediate Unit 8.**
