Supply List 2020-2021

Please do not put names on the supplies unless indicated.

- 1 Canister of Disinfecting Wipes (if possible)
- 1 Wide-Ruled Composition Style Notebook
  
  *(Please write their name on this one in the inside cover)*
- 16-count or 24-count Box of Crayola Crayons *(whichever size is cheaper)*
- 2 Glue Sticks
- (Optional) Snack/Lunch Bag *(The reusable plastic lunch baggies are very popular since we encourage bringing just one snack item each day.)*
- 1 Plastic 3-prong Folder with corner flaps  Blue (A.M.) or Red (P.M.)

*PLEASE* purchase the 5-Star / Mead brand so it will last the whole year. These are higher quality, and also have an amazing little flap at the top that helps hold papers in the folder so they don’t fall out! The little extra you pay for this brand is well-worth it! These can be found at Wal-Mart.

7/8 Middle School English Supply List

The following is a suggested supply list of items students in Mr. Lakes’ English class will need.

_____A Binder:
this binder should be large enough to hold filler paper, a supply of pencils and pens, and a folder for each of the student’s classes.

_____Pencils:
Enough to last the student the entire year. This is a precious material; we will use it EVERYDAY.

_____Lined paper:
We will use A LOT of this in class.

_____Planner:
I highly suggest this item, so that students have a place to write down their assignments and we can then avoid the unnecessary conversation of “I didn’t know that was due.” or “I forgot”.

_____2 Notebooks:
We will be using notebooks periodically. I suggest the one subject 70 Sheet College ruled notebooks. Please get this separate from any class. These will ONLY be for English.

_____Index cards:
Normal size index cards, will be used in class to help memorize vocabulary and take notes for tests and quizzes. Packages of these will be collected at the beginning of the year to be used for classroom use.

Due to safety concerns with the spread of COVID19, students will need to bring their own art materials to class this year, to avoid sharing materials and diminish the amount of movement in the classroom. For this reason, many of our projects will be limited to simple coloring supplies every student can purchase.

These are some options:
(you only need ONE of these, and the size doesn’t matter)
(any of these can be purchased at Walmart)

Any kind of markers will work great
*Warning: the cheaper the markers, the quicker they will run out of ink.

If you’re in the mood to help me out, this option is my favorite, because they don’t need to be sharpened (so less traffic to the sharpener) and they last a long time.

Crayons are my least favorite choice, but they will still work fine.

If you get regular colored pencils, please purchase one of these handheld sharpeners with a compartment that contains the pencil shavings (this will help with cleaner floors, and less traffic to the garbage can).
