

**To benefit HAWAII FOOD BANK**

**December 3rd - 14<sup>th</sup>**

**Start bringing in your CASH!**

**Beginning Monday, December 3rd, there will be a WAR between the grade levels.**

**Pennies and dollars count as points FOR YOUR class.  
(1 penny = 1 point, 1 Dollar = 100 points!)**

**SILVER money TAKES AWAY points from FROM A CLASS.  
(1 Dime = - 10 points)**

**So...You can put silver money in the other grade's jars so your grade can win!**

**At the end of the 2 weeks (Dec. 14), we will add up (and subtract) all the points to get the winning class!**

**And no matter what... the FOOD BANK WINS... because they get ALL the money.**

**RULES:**

- \*Money can only be deposited during recess and before and after school as NOT to disrupt the instructional day.**
- \*Once deposited, money will NOT be moved, so make sure you're putting your cash in the correct place BEFORE you drop it in.**

Money collection Jars will be located in G-104 (Mrs. Michaelis's class & the Front office as well as any teacher that would like to put jars in their classrooms.)
