

Warrior Scrip & Grand Event...

How do they go together?

Plans are already underway for Grand Event VIII on April 13, 2019.

We are currently collecting donations to be used for the auction portion. Please consider purchasing an extra scrip card and donating it back to Lakeside.

This is a win-win-win opportunity, a way to really maximize Scrip benefits...

- You will earn credit for Lakeside
- You will earn tuition credit for your own scrip account
- You may also use it as a tax-deductible contribution
- And if that wasn't enough...
 - *someone will buy it for full value at Grand Event, where Lakeside reaps the benefit yet again!

Fill out the bottom portion of this form and return it to the Warrior Scrip office along with your payment anytime between now and April 1st.

Any questions, please contact Denice Burger at dburger@llhs.org
